The Forum for UNESCO Multi-designated Sites is initiated by 4 UNESCO multi-designated sites – Huangshan(China), Shennongjia(China), Cilento Vallo di Diano e Alburni (Italy) and Azores(Portugal). It aims to provide a platform to exchange experience on integrated management of UNESCO multi-designations and facilitate cooperation among forum members.

To amplify the influence of this forum and to facilitate communication among UNESCO multi-designated sites, Huangshan together with Shennongjia will hold an online workshop this year, inviting leaders, experts, and site managers to share their knowledge and practice on UNESCO designations management.
